MESSAGE

It gives me immense pleasure to learn that National Institute of Fire & Safety Engineering Guwahati has been providing skills based relevant education in the field of fire safety among the young stars of North East region. As a branch of Fire & Safety Engineering College, Nagpur, approved by Ministry of Labour and Employment (Govt. of India), Ministry of HRD (Govt. of India), University Grant Commission (UGC) etc.. Which will enable our youth to learn about Fire & Safety Management.

As we know that Fire and Safety is important and necessary not only in the work place but also in the buildings in order to prevent and protect against the loss caused by the fire. Fire safety in a scientific way reduces the risk of injury, building damages that fires can caused

In last 10 years in the name of Global Safety Zone, Jorhat this organization has been working in this field of fire and safety industry. This institute will help to impart students regarding the field of fire & safety sector.

I wish the institute for success in this endeavour.

Thanking you.

MESSAGE

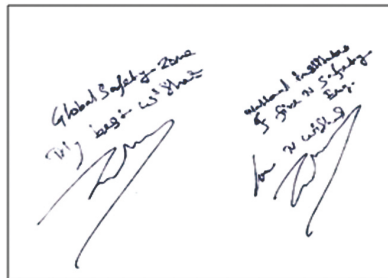

I am happy to know that National Institute of Fire & Safety Engineering is going to open a branch in Guwahati, with an aim to impart knowledge to the students of our region especially in the field of Fire Safety & Disaster Management.

With the growing need to understand fire safety engineering principles, this program is of a great importance in the present time. I hope the institute with its unique curriculum will expose the students to the latest safety measures and fire handling situations. I convey my best wishes and wish a bright future of the institution.

MANAGING DIRECTOR'S DESK

Dear Students and Parents,

Welcome to Suraksha India Institute of Fire & Safety (SIIFS)! We are excited to have you join us on this educational journey. At SIIFS, our mission is to equip students with the skills, knowledge, and practical experience required to succeed in the growing field of Fire and Safety Engineering.

One of our primary objectives is to reduce unemployment by providing students with opportunities to secure jobs through this course. The demand for skilled professionals in fire and safety is increasing across various industries, both in India and abroad. With this in mind, we offer 100% job assistance to help our students find rewarding career opportunities after completion of their courses.

To the parents, we assure you that your child's future is in safe hands. We are committed to providing quality education, practical training, and a supportive environment to help them achieve their career goals and become responsible, capable professionals.

Together, we can ensure a bright future for our students, and we look forward to seeing them grow and succeed.

Warm Regards

Rupam Kumar Gogoi
Managing Director

Suraksha India Institute of Fire & Safety (SIIFS)

FROM THE DESK OF GENERAL MANAGER

Dear Students and Parents ,

Welcome to Suraksha India Institute of Fire & Safety (SIIFS)! We are thrilled to have you with us. At SIIFS, we strongly believe in the motto, "We learn to save" and our main goal is to prepare students to protect people, property, and the environment from disasters like fire, Earthquake, Flood etc.

SIIFS is one of the top institutions in the state, offering education in Fire Engineering and Safety Management. We focus on teaching innovative approaches to fire safety, and our courses aim to reduce the loss of life and property by increasing awareness and providing practical training. Our mission is to provide you with the knowledge and skills to make a difference in the field of fire safety. The world is full of opportunities for those who dream big and work hard to achieve those dreams. With determination, you can accomplish anything, and SIIFS is here to guide you on your journey.

We are excited to welcome the new batch of students. We promise to create a supportive and encouraging environment that helps you succeed in becoming a skilled Fire and Safety Engineer. We wish you all the very best in your future endeavors and look forward to witnessing your bright success.

Warm regards,

Pinky S. Gogoi

ABOUT US

Suraksha India, founded in 2017 by **Shri Rupam Kumar Gogoi**, began with a clear mission — to provide high-quality, reliable fire safety solutions across the region. The company initially focused on the installation and commissioning of essential fire safety systems, such as: Fire Extinguishers, Hydrant Systems, Sprinkler Systems, Fire Detection & Alarm Systems, Gas Suppression Systems etc

Over the years, Suraksha India has expanded its services across **Northeast, Nepal, Bhutan, Sikkim and Darjeeling** and operates through **five branches**.

Through its operations, Suraksha India identified two major gaps:

1. **Lack of fire safety awareness** among the general public.
2. **Shortage of local fire safety professionals**.

Most companies in the region depended on hiring experts from other states, while local youth lacked the technical training and opportunities to enter this growing field.

To bridge this gap, **Suraksha India Institute of Fire & Safety (SIIFS)** was established in **2024**. The institute is managed under the banner of the **Bonti Youth Empowerment Foundation**, which is dedicated to empowering the youth through skill development and job-oriented education.

SIIFS offers comprehensive training programs in: Fire Safety, Industrial Safety, Hazard & Risk Management, Emergency Planning & Disaster Management.

The curriculum is designed to meet the increasing demand for skilled safety professionals in the Northeast and beyond. **100% job assistance** is provided to all students.

Practical learning is at the core of SIIFS training. Students get hands-on experience with: Fire Extinguishers, Hydrants, Sprinkler Systems, Emergency Rescue Tools etc.

They also participate in: Fire Drills, Mock Rescue Operations, Safety Audits, Hazard Identification Exercises

Trainers include retired experts from Government and Semi-Government fire services, along with professionals from diverse backgrounds, bringing valuable real-life experience and practical insights to every training session.

SIIFS offers additional, first-of-its-kind training modules in India, including:

- **Swimming Training** – For rescue operations during floods and other water-based rescue
- **Snake Rescue & Identification** – For field rescues in forests, godowns etc
- **Heavy Motor Vehicle (HMV) Training** – To qualify as Driver-Cum-Pump Operators
- **Social Service Activities** – Develop leadership and character while serving your community!

These unique skills make SIIFS students highly versatile and field-ready.

Students are trained using **modern equipment**. All programs follow national and international standards, with recognition from: Ministry of Labour & Employment, UGC and AICTE.

Operating from **Guwahati and Jorhat**, SIIFS is **the only dedicated fire and safety institute in Northeast India**. It draws students from across the country who are looking to build meaningful careers in fire safety and emergency management.

SIIFS is not just about education. It is also committed to **raising public awareness about fire safety, reducing fire-related accidents, and supporting local industries** with expert training and advice. The institute works closely with government and private organizations to help build a **disaster-resilient and safety-conscious society**.

SIIFS- Empowering Youth. Saving Lives. Building a Safer Tomorrow.

DEMAND AND SCOPE OF FIRE-SAFETY CAREERS

Fire and Industrial Safety is a fast-growing field, offering many job opportunities in India and abroad. As accidents and fires increase, fire safety professionals are needed to protect people, property, and the environment.

Why is Fire Safety in High Demand?

- **Growing Industry :** The fire safety industry in India is worth over Rs. 3,000 crores every year, and there's a need for over 12 lakh trained fire safety professionals worldwide.
- **Industrial Growth :** With more industries and construction projects, the need for fire safety experts to protect workplaces and buildings is growing.
- **Government Rules :** Stronger fire safety laws in many countries are increasing the demand for qualified professionals to ensure compliance.
- **Public Awareness :** As people become more aware of fire risks, the need for professionals who can implement safety measures is increasing.

Scope of Fire Safety Careers

- **Job Opportunities:** Fire safety professionals are needed in industries like oil refineries, construction, aviation, and food, as well as in fire departments and government organizations.
- **High Demand in Gulf Countries:** The Gulf region, with its large oil industry, has a high demand for fire safety professionals to protect workers and property.
- **Career Growth and Pay:** Fire safety jobs offer good salaries and career growth, with roles like Fire Officer, Safety Engineer, and Safety Manager.

Why Choose a Career in Fire Safety?

1. **High Demand:** There's a growing need for trained professionals across various industries, ensuring job security.
2. **Career Growth:** Fire safety offers multiple roles and advancement opportunities, such as Fire Chief or Fire Marshal.
3. **Global Opportunities:** Jobs are available worldwide, especially in regions like the Middle East and Gulf countries.
4. **Competitive Salaries:** Fire safety careers come with good pay and benefits, including health insurance and retirement plans.
5. **Serve the Community:** This field allows you to protect lives and property while contributing to public safety.

Conclusion:

A career in fire safety offers job security, good pay, and the chance to help keep people safe. With high demand for professionals in this field, it's a great career choice for growth and stability.

PRACTICAL TRAINING

COURSE OFFERED

- **Certificate in Fire and Safety Engineering (CFSE)**

Eligibility : 10th Pass,

Duration : 6 months

- **Diploma in Fire and Safety Engineering (DFSE)**

Eligibility : 12th Pass

Duration : 1 year

- **Fire Officer**

Eligibility : 12th Pass

Duration : 1 year

- **Safety Officer**

Eligibility : 12th Pass

Duration : 1 year

- **B.Sc. in Fire and Hazard Management**

Eligibility : 12th Pass

Duration : 3 years

- **MBA in Industrial Safety Management**

Eligibility : Any Graduate or Equivalent

Duration : 2 years

**AFTER COMPLETING THIS COURSE,
JOB OPPORTUNITIES AWAIT YOU IN
VARIOUS SECTORS
ACROSS INDIA:**

BSNL

- Fire & Emergency Services (State & District Fire Brigades)
- Oil & Gas Industry (Oil India Limited, ONGC, NRL)
- Hydroelectric Power Plants & Thermal Power Stations
- Mining & Mineral Industries (Coal, Limestone, etc.)
- Tea Industry (Tea Gardens, Processing Units)
- Construction & Infrastructure Projects (Roads, Bridges, Buildings)
- Telecom & Tower Safety (BSNL, Jio, Airtel etc.)
- Government Departments (Disaster Management, Civil Defence)
- Industrial Safety in Factories & Manufacturing Units
- Automobile & Transport Sector (Assam State Transport, Private Bus Operators)
- Hospitality & Tourism Industry (Hotels, Resorts, Event Management)
- Forest and Wildlife Protection (National Parks, Wildlife Sanctuaries)
- Educational Institutions & Research Centres
- Airports & Aviation Safety
- Health & Medical Safety (Hospitals, Clinics, Laboratories)
- Agriculture & Food Processing (Food Safety, Agro-Industries)
- Construction Safety (Building Projects, Real Estate)
- Local Fire Safety Equipment & Safety Services Suppliers
- Security Agencies & Private Safety Firms
- International Opportunities (Gulf countries, ASEAN region)

Apart from this successful trained personnel can also work as an independent fire and safety consultant.

adani

With growing industrialization and development in the Northeast, there are a wide variety of career paths in fire safety, industrial safety, disaster management, and emergency response across key sectors. This course opens up numerous employment opportunities in private, public, and government organizations in the region.

www.surakshaindia.com

FIRST TIME IN FIRE & SAFETY COLLEGE

NEW ADDITIONS TO OUR CURRICULUM

At Suraksha India Institute of Fire and Safety (SIIFS), we are excited to introduce four innovative courses designed to enhance our students' skills and open up broader career opportunities in the Fire & Safety sector:

1. Swimming Classes for Fire-Safety Cadets

We're adding Swimming Classes to our curriculum to prepare cadets for water-related rescue operations. This vital skill is crucial for professionals working in industrial, coastal, and port areas.

Why Swimming?

- Essential for water-based rescues
- Prepares for high-risk fire safety roles
- Enhances physical fitness

2. Heavy Motor Vehicle (HMV) Driver Training

Our HMV training will equip students with the skills to operate fire trucks, emergency vehicles, and other heavy-duty vehicles, ensuring they are prepared for critical rescue missions.

Why HMV Training?

- Trains cadets to drive emergency vehicles
- Provides real-world experience in high-pressure situations
- Increases employability in fire stations and industrial units

3. Snake Rescue & First Aid

This course teaches rare survival skills to handle snakebites and other emergencies, preparing students to save lives in critical situations.

Why Snake Rescue & First Aid?

- Learn life-saving survival techniques
- Handle venomous snakebites and other emergencies
- Key skill for rural and industrial settings

4. Social Service Activities

Our Social Service Activities initiative builds leadership, teamwork, and community engagement, helping cadets grow personally and professionally.

Why Social Service?

- Develops leadership and teamwork
- Strengthens community responsibility
- Enhances employability

At SIIFS, we are committed to providing cutting-edge training to help you succeed in the Fire & Safety profession. Join us today and start your journey toward a rewarding career!

FOLLOWING POSITIONS WAITING FOR YOU IN FIRE-SAFETY SECTOR

- Fire Man
- Fire Safety Officer
- Fire Safety Engineer
- Fire Safety Technician
- Fire Safety Trainer
- Fire Safety Inspector
- Fire Safety Consultant
- Fire Supervisor
- Fire Auditor

- HSE Officer
(Health Safety and Environment)
- HSE Manager
- Safety Officer
- Safety Manager
- Safety Supervisor
- Safety Auditor
- Safety Consultant
- Construction Safety Officer
- Accident Investigator

... and many more!

www.surakshaindia.com

9395057394 / 8812081810

REQUIRED DOCUMENTS FOR ADMISSION:

- 1. Passport Photo** : Four recent passport-size photographs.
- 2. Identity Proof** : Pan Card, Aadhar Card, Voter ID
- 3. Address Proof** : Aadhar Card, Voter ID or any other address proof documents.
- 4. Academic Documents** : HSLC/HS/Degree Mark sheet and Admit Card, Provisional or Pass Certificate.
- 5. Supporting Documents for Concessions** : Relevant documents for availing any admission concessions (e.g., NCC, merit-based concession, BPL Scholarship Concessions etc).

Important Notes:

- All documents should be attested and submitted along with a fully filled admission form.
- Original documents must be shown at the time of admission for verification.
- The completed application form should be submitted to the Principal/Managing Director before the last date specified by the institute.

THE PHYSICAL AND MEDICAL STANDARD FOR THE CANDIDATES

Physical Standards

- **Height:**
 - **Male:** Minimum 165 cm
 - **Female:** Minimum 157 cm
(Relaxable for candidates belonging to ST, SC and other)
- **Chest (For Male Candidates):**
 - **Normal:** 81 cm
 - **Expanded:** 86 cm
- **Weight:**
 - **Male:** Minimum 50 kg
 - **Female:** Minimum 46 kg

Medical Standards

- **Vision:**
 - Distant vision: 6/6 for at least one eye and not poorer than 6/9 for the other without correction.
 - Near vision: Normal.
- **General Health:**
 - Candidates must not have knock-knee, flat foot, squint eyes, or stammering.
 - Must possess high color vision.
 - Free from diseases such as diabetes, hernia, piles, respiratory diseases, or any other ailment likely to interfere with the efficient performance of duties.

COLLEGE UNIFORM

At SIIFS, we maintain high standards of discipline and professionalism, which is reflected in our uniform policy. All students are required to wear the prescribed uniforms during their classes, physical training, and practical drills.

Class Uniform:

- Blue T-Shirt
- Black Track Pant
- Cap
- Safety Shoes

PT Uniform:

- White T-Shirt
- Half Pant
- Shoes
- Track Suit

Drill Uniform (Squad/Fire/Ladder, etc.):

- Helmet
- Dungaree
- Gum Boots
- Web Belt

Khaki Uniform:

(Students will wear the khaki uniform during key events such as Independence Day, Republic Day / Batch Group Photo / Pass Certificate / Industrial Visit / Fire Brigade visit / Awareness Campaign etc)

- Shirt & Trouser (Khaki)
- Cap with Emblem
- Whistle Cord
- Shoulder Badge
- Name Plate
- Nylon Belt

All uniforms are essential for practical training, drills, and to maintain the high standards set by the institute. Students are expected to maintain and wear their uniforms with pride.

ACADEMIC RULES & REGULATIONS

- Students must attend all classes regularly and on time with discipline and punctuality.
- Wearing the proper uniform is mandatory within the campus and in the Class, practical training yard, PT.
- Students must carry their ID card at all times; entry without it may be restricted.
- A fully shaved, police-style haircut is mandatory. Poor grooming will result in a ₹100 fine per day.
- Mobile phones are prohibited in academic areas; misuse will lead to disciplinary action.
- Visitors or guests are not allowed in classrooms, laboratories, libraries, or training yards.
- Students may bring personal vehicles to campus at their own risk. The institute will not be responsible for any loss or damage.
- Students must maintain at least 80% attendance. Below 80% = NC status + ₹5,000 fine; below 65% = DC status + ₹10,000 fine.
- Classes require at least 50% attendance to proceed; if below, the class may be canceled.
- Leave must be requested in advance and approved by the authority. In case of emergencies, proper medical or supporting documents must be submitted after returning.
- Students who are absent for more than three consecutive days must bring their parent or guardian to the institute with a valid reason before being allowed to return to class.
- Absence without submitting a valid leave application will result in a fine of ₹200 per day.
- All fees, including registration, admission, installment and tuition, are non-refundable under any circumstances.
- All students must appear for internal and final examinations. Internal exams are compulsory and must be passed to be eligible for final exams.
- Students should not loiter on campus or enter office areas without a valid reason. Movement around the campus must be for academic purposes only.
- Participation in college-organized activities, such as industrial visits, adventure camps, mock interviews, and social events etc. is required.
- Students must always show respect to the Principal, faculty, student leaders, and non-teaching staff.
- In the classroom, students must be attentive, avoid disturbing others, and maintain silence and order.
- All theory and practical work should be completed and submitted on time, as per the guidelines provided by the management, to ensure smooth academic progress.
- Smoking, tobacco, chewing gum, alcohol, khaini, gutkha, and other prohibited items are strictly forbidden on campus. Violation will result in fines, disciplinary action, and parental notification.
- Any student causing damage to college property will be required to pay for the repairs or replacement.
- Misconduct, including disrespectful or inappropriate behavior, will not be tolerated and may result in expulsion.
- Students are not allowed to change courses during the session. If a change is absolutely necessary, a ₹10,000 penalty will apply.
- Students who withdraw from the course after admission must still pay the full session fee.
- Students are encouraged to uphold the reputation of the institute, staff, and management both on social media and public platforms. Respectful conduct ensures continued support, including placement assistance, while violations may lead to legal action and loss of such benefits.
- Students are expected to act with honesty and integrity at all times. Upholding these values ensures a safe and trustworthy environment for all. Any violation, such as misuse of funds or documents, will be addressed through appropriate disciplinary and legal measures.
- Online classes may be held via Zoom or other platforms as needed, and students are expected to attend these sessions regularly and punctually.
- Personal relationships between students and faculty or office staff are strictly prohibited.
- If a student is unable to complete a task assigned by the management, a written request from the parent must be submitted in advance. This helps the institute provide appropriate support, though future outcomes will be the responsibility of the student and parent.
- Parents are respectfully requested not to interfere in teaching methods or academic decisions during the course.
- Violation of any rule may lead to termination from the course after a formal show-cause notice.
- The institute reserves the right to change or modify rules as needed for better administration and improvement.

SAFETY ANTHEM

“हम हैं सैनिक सुरक्षा के,
आग, दुर्घटना, या आपदा,
हम हैं हर मोर्चे पर खड़े।
सभी की जान बचाना हमारा कर्तव्य
हमारे हौसले को कोई नहीं तोड़ सकता,
हम हैं सच्चे सुरक्षा के रक्षक।
जय हिन्द, जय सुरक्षा!”

FIREMAN'S PRAYER

When I am called to duty, God,
Wherever flames may rage,
Give me strength to save some life,
Whatever be its age.

Help me to embrace a little child,
Before it is too late,
Or save an older person,
From the horrors of that fate.

Enable me to be alert,
And hear the weakest shout,
And quickly and efficiently,
To put the fire out.

I want to fill my calling,
and give the best in me,
To guard my every neighbor,
And protect their property.

And if according to Your will, I should Lose
my life, Please bless with your protecting
hand, The People in my life.

SAFETY AND HEALTH PLEDGE

सुरक्षा एवं स्वास्थ्य प्रतिज्ञा

“आज के दिन, मैं सत्यनिष्ठा से प्रतिज्ञा करता / करती हूँ कि मैं पुनः अपने आपको सुरक्षा, स्वास्थ्य एवं पर्यावरण के बचाव के प्रति समर्पित करूंगा/करूंगी और नियमों, विनियमों एवं कार्यविधियों के पालन हेतु यथाशक्ति प्रयत्न करूंगा/करूंगी और निश्चित रूप से इन लक्ष्यों को प्राप्त करने के लिए पेरणादायक अभिवृत्तियों एवं आदतों का विकास करूंगा/करूंगी।

मेरी यह पूर्ण रूप से मान्यता है कि दुर्घटनाएं और बीमारियां अर्थव्यवस्था को दुर्बल बनाती हैं तथा यह विकलांगता, मृत्यु एवं स्वास्थ्य के लिए हानिकारक हैं एवं संपत्ति की क्षति, सामाजिक कष्ट और पर्यावरण के निकृष्ट होने का कारण बनता है। मैं अपने, परिवार, संगठन, समाज एवं राष्ट्र के हित में इन दुर्घटनाओं, बीमारियों को रोकथाम और पर्यावरण के बचाव के लिए हर संभव प्रयत्न करूंगा /करूंगी।

PLACEMENT CELL

Suraksha India Institute of Fire and Safety

At Suraksha India Institute of Fire and Safety, our Placement Cell is here to help you start your career in the fire safety industry. We make sure that you are ready for the job market by offering the right skills, training, and support to find a great job.

Our Advantage :

- 1. Strong Industry Connections :** We are proud to collaborate with top fire safety companies and leading organizations, giving you access to excellent job opportunities in the field.
- 2. Job Placement Assistance :** We help you with resume writing, interview practice, and job readiness so you feel confident when you apply for jobs.
- 3. Internships & Experience :** We offer internships with leading companies to give you real work experience, which helps you stand out to employers.
- 4. Job Fairs & Recruitment Drives :** We organize placement drives and job fairs, where top employers visit our campus to hire students for various positions. Additionally, we send students to multiple companies for interviews, maximizing their chances of securing a job.
- 5. 100% Job Assistance :** We offer 100% job assistance to all our students, ensuring that you receive the support you need to secure a position in the fire safety field.
- 6. Lifetime Career Support :** Our commitment to your career doesn't end with placement. We provide lifetime career support, offering guidance, job growth opportunities, and ongoing counseling to help you advance in your professional journey.

At **SURAKSHA INDIA INSTITUTE OF FIRE AND SAFETY (SIIFS)**, we give you the skills, experience, and support you need to build a successful career in fire safety. Join us today and take the first step toward securing a bright and successful future!

Why Choose Us?

Standing Out in the Northeast

In a region filled with options, we are proud to be the **Northeast's first all-in-one fire safety training hub**. Here's what sets us apart — and why students across the region choose us:

- ✓ **Unique, All-in-One Practical Training** - Only at our Institute, under one roof, you get:
 - **Swimming Training** – Essential for water rescues and a strong plus in job selection.
 - **Snake Rescue & First Aid** – Learn rare survival skills that can save lives.
 - **HMV Driving Training** – Boost your career with heavy vehicle handling experience.
 - **Social Service Activities** – Develop leadership and character while serving your community!
- ✓ **#1 Fire Safety Brand in the Northeast** - Trusted by thousands for over a decade.
- ✓ **100% Job Placement Assistance + Lifetime Career Support**
- ✓ **Experienced Faculty** – Get trained by professionals from fire, rescue, and industrial safety fields.
- ✓ **Guest Faculty** - Learn from experts through real-life stories and insights.
- ✓ **Learn Anytime, Anywhere** - Regular practical & theory classes, plus video lessons and online Zoom sessions when needed!
- ✓ **Internship & Practical Field Training** - Gain valuable hands-on experience with top organizations and real-world exposure through on-site training with Suraksha India after 6 months.
- ✓ **Mock Interviews & Personality Development** – Build confidence, enhance communication, and make a lasting impression.
- ✓ **Field Visits to Fire Brigades & Industries** - See how it all works outside the classroom — real systems, real scenarios.
- ✓ **Celebrate, Connect, Grow** - We create a vibrant atmosphere with festivals and events to help students socialize, bond and grow.
- ✓ **Sports, Culture & Fitness** - Build fitness, teamwork, and confidence through physical training (PT) and cultural events.
- ✓ **Flexible Timings for Working Professionals**
- ✓ **Special Uniform Training** - Practice in real uniforms to prepare for real-life situations.
- ✓ **Small Batches, Big Impact** - Limited seats mean personal attention and customized learning.

Join Us – Save Lives. Make a Difference.
Be brave. Start your journey today.
